The lush rainforests of the Pacific Northwest, the scenic country lanes of New England and iconic mountainous terrain of British Columbia are great starting points for any fly-drive itinerary.

You may cancel your holiday at any time but in doing so you will incur the charges set out below. Cancellations must be made in writing by the person who has signed the Booking Form and will be effective on the day Lupus Travel/AWWT receive the cancellation notice.

The charges are usually calculated as a percentage of the total holiday cost less insurance premiums which are not refundable in any event. However, certain components of your holiday such as ranches, activities, rail tours etc may incur different charges. Your consultant will advise you of the cancellation charges applicable on request or at the time the cancellation is made. The charges payable depend on when the notification is received.

## Period before Travel Cancellation Fee

56 - 29 days:	50%
28 - 15 days:	75%
